They are there for every birthday, every laugh and every tear. They are silent, constant companions when nothing is certain but a cancer diagnosis. Dogs are the unrecognized caregivers who give a special kind of support for cancer patients. The American Cancer Society's Bark For Life of Somerset is a walk for dogs and their owners to fight back against cancer. Bark for life is a way to pay tribute to our favorite canines and raise funds and awareness to create a world with less cancer and more birthdays !
